

Our Lady of Perpetual Succour Primary Catholic Academy Pupil Acceptable Use Policy Agreement

Foundation and Key Stage One

This is how we stay safe when we use computers, iPads or other internet devices:

- I will ask a teacher or suitable adult if I want to use the computers or iPads.
- I will only use activities that a grown up in school has told or allowed me to use.
- I will take care of the computer and other equipment.
- I will ask for help from a grown up if I am not sure what to do or if I think I have done something wrong.
- I will tell a grown up if I see something that upsets me on the screen.
- I will remember our internet song – ‘You need to think, think, think before you click, click, click and tell someone.’
- I know that if I break the rules I might not be allowed to use the computers or iPads.
