

Our Lady of Perpetual Succour Primary Catholic Academy Pupil Acceptable Use Policy Agreement Key Stage 2

This is how we stay safe when we use computers, iPads or other wireless devices:

- I will ask a teacher or suitable adult if I want to use the computers or iPads.
- I will only use activities that a grown up in school has told or allowed me to use.
- I will take care of the computer and other equipment.
- I will ask for help from a grown up if I am not sure what to do or if I think I have done something wrong.
- I will follow the SMART rules when using the internet:

Safe

Keep safe by being careful not to give out personal information when you're chatting or posting online. Personal information includes your email address, phone number and password

Meet: Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present. Remember online friends are still strangers even if you have been talking to them for a long time.

Accepting: Accepting emails, IM messages, or opening files, images or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

Reliable: Someone online might lie about who they are and information on the internet may not be true. Always check information by looking at other websites, in books, or with someone who knows. If you like chatting online it's best to only chat to your real world friends and family.

Tell: Tell a parent, carer or a trusted adult if someone, or something, makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

- I know that if I break the SMART rules I might not be allowed to use the computers or iPads.
